THERAPY CONSENT & AGREEMENT

Welcome to The Barrington Center for Counseling and Psychotherapy. This document contains important information about our services, fees and business policies. Please read it carefully. Your therapist can discuss any questions you may have about it.

Professional Fees:

I understand that if I choose to use health insurance, BCCP will contact my insurance provider to inquire about available mental health benefits and will share that information with me as a courtesy and not a guarantee of payment. My signature gives BCCP permission to release necessary information to my insurance provider related to treatment on my, or my dependent's, behalf in order to obtain reimbursement for services rendered. The remaining balance not covered by insurance (including deductible, co-payment, co-insurance, and services not covered) is my responsibility or the responsible party for dependents. If I do not have insurance, or choose to do self-pay, I understand that I will be responsible for the total fee at the time of service.

I understand that it is my responsibility to promptly notify BCCP if my insurance provider changes. I agree to contact my insurance provider to expedite payment to BCCP for services not reimbursed within 30 days. I also agree to promptly remit insurance payments to BCCP in the event that I receive payment directly from my insurance provider.

We appreciate the confidence you have placed in us by making this initial appointment. Please read this contract carefully and discuss any questions or concerns you might have with your counselor.

I agree to engage BCCP and its practioners to render consulting and psychological services to:

Please enter patients name above

I understand that if I choose to use insurance, BCCP will contact my insurance company to inquire about available mental health benefits, and will share that information with me as a courtesy only, and not as a guarantee of payment.

I understand that if my insurance is a “managed care” type of benefit, my BCCP doctor/counselor is required to submit a “treatment plan” to the managed care contractor. This usually includes diagnosis, description of the problem, personal background information, treatment goals and therapy methods. My signature gives BCCP the permission to submit this information on behalf of myself (or my minor) if I choose to utilize my insurance benefit.

I understand that payment is due at the time of service. If benefits have been verified, I am responsible for the co-pay portion at each session. Otherwise, I will pay in full.

If my insurance carrier changes, I agree to contact BCCP with that information and readjust my co-pay accordingly if necessary.

I agree to contact my insurance company to expedite payment to BCCP if payments are not made promptly (over 30 days). I also agree that in the event that I receive insurance payments directly from my carrier, I will promptly remit that amount of payment to BCCP.

I understand and agree to give 24 hours prior notice if unable to keep an appointment. Since insurance companies cannot be billed for missed appointments, I understand that it is my sole fiscal responsibility.

I understand that my doctor or counselor may be required by law to release information without my approval to specific professional and others if:

- There is a clear and serious danger of harm to anyone
- A judge required specific information in a court case
- It is suspect that a criminal offense of child abuse has occurred.

I understand that this consent can be revoked at any time by submitting a written notice to BCCP.

I UNDERSTAND AND AGREE TO ALL OF THE ABOVE.
